

AIKEN BACH FARM

WINTER BOARDING AND FULL TRAINING INFORMATION

We are so happy you are joining us for the winter in Aiken, South Carolina. It is time to get ready! The attached sheets must be filled out and returned to abfteam@comcast.net by November 1st. Please do not wait until your arrival, as preparations need to be made on our part ahead of time. A few notes:

- The Tack Room is for tack only.
We have baskets for field boots, and shelves for saddle pads and towels. Each horse will have two bridle hooks and at least one saddle rack.
- The barn aisle is wide.
One tack trunk will fit in front of each stall. Plan to store your own grooming supplies, exercise boots, wraps, and special bottled supplies in trunks.
Each stall door blanket rack will hold 3 blankets (1 light, 1 mid, and 1 heavy turnout).
- ALL additional items must be stored in your horse trailers.
Extra tack, blankets, show equipment, etc. Nothing loose shall be stored on the aisle.
We leaf blow the aisled twice daily and everything left out gets embedded with dust.
- The feed room is quite small
We keep grain varieties down to a limited number. Our barn uses Pro Elite brand feeds. Once we review each horse's dietary program, we may convert them to something similar in our supply. Supplements in SmartPaks are best. Please limit the number of supplements or pre-pack them for daily distribution.

We can't wait to for you to get down here and start training!

Mikki, Bridgette, and team.

TACK AND EQUIPMENT:

DRESSAGE: REGULAR SADDLE PAD ____ WITHER PAD ____
